OROVILLE, Butte County, Cal., 1 HENRY K. FIELD, General Agent, New England Mutual Life Insurance Company: DEAR SIR: SAMUEL J. DAVIS, ex-County Treas-DEAR SIR: SAMUEL J. DAVIS, ex-County Treasurer of Butte county, died at this place January 3, 1882, leaving a widow and six small children. He left nothing for their support except the insurance on his life. He was a member of Oroville Lodge, No. 40, A. O. U. W., and his wife received from that Lodge \$2,000. He also held a policy for \$2,500 in the Company you represent, on which he HAD PAID NO PREMIUM FOR TWO YEARS, and which was BELIEVED TO BE WORTHLES. However, on making inquiries of you, we found that the policy was on the

Mutual Life Insurance Company.

And although the premiums had not been paid for some time past, yet the policy was good for \$2,418 S7, which sum Mrs. Davis has already received. This is a correct statement of the facts in this case, and it speaks louder in praise of the Company you represent than any other words we can use. Mrs. Davis has the money; it was paid promptly and with little expense to her, and it all came from a policy that was BELIEVED TO BE WORTHLESS. If coin "talks" it certainly should in this case, for

***MIDDLE-AGED MEN.**

There are many at the age of thirty to sixty who
are troubled with too frequent evacuation of the
blader, often accompanied by a slight emarting of
burning sensation, and a weakening of the system in
a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often
be found, and sometimes small particles of albumen
will appear, or the color will be of a thin milkish
hue, again changing to a dark and torpid appearance.
There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure
in all such cases, and a healthy restoration of the
